## JAPANESE WHEELMEN

Hold a Series of Races  
at Kapiolani Park  
New Year's.

That the wheel is not obsolete yet, for sport as well as utility, was strongly demonstrated at Kapiolani park race track yesterday afternoon. It was the first meet of the Japanese Bicycle Club lately organized, which the other day showed forty-seven wheelmen in line on the streets of Honolulu.

There was an attendance on the grand stand, which had passed through the pay gate, of seven or eight hundred people, while on the margin of the track below the stables a crowd of twelve or fifteen hundred was assembled, which had availed of the public privileges of the park with the disadvantage of having but a distant view of the starts and finishes. Including the group of racers with their helpers and those occupying the judges' stand, the total attendance must have been two thousand in round numbers. A vast majority was Japanese.

Fifteen events were on the program, most of them being well contested. Some of the finishes were close and exciting. The starts were well managed, although there was perhaps a trifle more talk over them than necessary. Favors of the respective contestants were enthusiastic with their encouragement and not stinting of applause at the winning spurts.

Two prizes were given in most events, consisting of useful and fancy articles. A handsome clock, a parlor lamp, an elegant album, blankets, trinkets, etc., were grouped about a Columbia Model bicycle, the last-named the championship prize, upon a stand. The prizes were delivered to the winners immediately upon their names being announced. Entries for the championship race were limited to winners in other events. Two consolation prizes were given in this race, a pair of trousers to second man and a purse of \$3.50 to third. So far as a race was concerned, it was all for the consolation. The champion was pursued only for the first mile, which he finished in the lead. For the second mile every tread he made increased his lead, so that when he came spinning over the line at the finish the second man was just entering the home stretch. Nakashima won the championship by more than the eighth of a mile. His time was not taken, but was calculated as under five minutes. In a previous mile race, when not pushed, he made the time of 2:39.

Following is a list of the events with the names of the winners:

1. One mile—Matsumoto 1, Saki 2.
2. One mile—Abe 1, Ogata 2.
3. One mile—Geo. Uyemura 1, Hanaka 2.
4. Boys' one mile—Tanaka 1, Hida 2.
5. Slow race, eighth mile—Nakayama 1, Isoshima 2.
6. One mile—Kawasaki 1, Horiuchi 2.
7. One mile—Nakashima 1, Kawadomari 2.
8. One mile—Zamihiro 1, Nakayama 2.
9. Trick riding—The Japanese who was to perform being absent through illness, Edwards, a native boy, performed some clever feats.
10. Slow race, eighth mile—Moriji 1, no second.
11. Gentlemen's mile race—Kishi 1, Ishikawa 2.
12. Same as 11—Ozawa 1, Miki 2, close finish.
13. One mile with running start on foot 30 yards—R. Miki 1, Zenhiro 2. Miki is a boy of 15 years. The finish was close.
14. Candle race—Saki 1, Kawadomari 2.
15. Championship two miles—Nakashima 1, Matsumoto 2, Abe 3. The other entries were Uyemura, Kawasaki and Zamihiro.

Mr. Miki was the starter and the judges were Messrs. Yamashita and Kurokawa.

Starting about noon the races were over at 4:50. Nakashima, on coming to the judges' stand to receive the championship prize, was seized by his admirers and given "the grand bounce" above their heads.

The Japanese Bicycle Club will hold another race meet on February 11, the anniversary of the Japanese Empire. On that occasion entries of other nationalities will be received for the events.

## COMMON PROPERTY

Public Praise is Public Property — Honolulu People May Profit by Local Experience.

Grateful people will talk. Tell their experience for the public good.

Honolulu citizens praise Doan's Backache Kidney Pills. Kidney sufferers appreciate this. They find relief for every kidney ill. Read what this citizen says: The Rev. J. Nua. Kawaiahao informs us:

"I suffered from kidney trouble, which was, I believe, caused by my lifting heavy weights whilst young. Pains in the small of my back were one of the symptoms of my complaint. My trouble extends back to the time when I was 23 years of age, and as I am now 49, that is a considerable period. During all this time I was subject to pains in the back. They continued despite the fact that I consulted several physicians and took numerous remedies. No relief thus gained can be compared to the benefit obtained from using Doan's Backache Kidney Pills. I have got on wonderfully well since taking them. I am quite satisfied with the result, and shall always have some of the pills by me, even when going from Honolulu to other missionary fields in the South Pacific. There is no other remedy like Doan's Backache Kidney Pills for kidney complaints, including backache." Doan's Backache Kidney Pills are sold by all druggists and storekeepers at 50 cents per box (six boxes for \$2.50), or will be mailed on receipt of price by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.

## JAPANESE VESSELS READY TO SAIL

A fleet of vessels with the Japanese standard flying over them is lying at anchor in Honolulu harbor ready to sail at a moment's notice. Preparations for sailing were being made all day yesterday on the twenty or more vessels, from every one of which floated Japan's blood red circle on a white surface. They were all fishing vessels, and the flags were displayed in honor of the Japanese holiday, which was being celebrated all over the city. The Japs are warlike by nature, but the fishing fleet will remain in port here in case of hostilities between Japan and Russia.

## SCOTT'S EMULSION

is for babies and children who are thin and pale when they ought to be fat and ruddy; for men and women who are weak and delicate when they ought to be strong and hearty—for all who are not getting proper nourishment from their food.

Poor blood, thin body, open the door for disease. Scott's Emulsion bars the way. Makes the blood richer, produces healthy flesh and above all provides nourishment.

Avoid these so-called wines, cordials and extracts of cod liver oil that are prepared for the taste only, contain none of the value of cod liver oil and which contain a large percentage of alcohol.

Scott's Emulsion has been the reliable cod liver oil preparation for over a quarter of a century.

We'll send you a sample free upon request.
